Subject: TRLIA Monthly Report to the Board

Good Morning Paul:

This email is a follow-up of the conversation that we had this morning.

At the last CVFPB Board Meeting (April 27, 2012) our Board President, Bill Edgar, decided that the Board will no longer require a monthly report of TRLIA's activities. The CVFPB is satisfied with what you have given us, and Bill believes that it's no longer a necessity for you folks to deliver the report to us in any form. Should you have any questions or comments, please do not hesitate to contact myself, Len, or Jay.

Thank you,
Amber
