Re: TRLIA 9th Quarterly Work Plan (QWP), Dated March 5, 2010 and Revised Statement of Costs for Quarters 5, 6, and 7

Dear Mr. Zenobia:

Attached is the TRLIA 9th QWP covering the time period April, May, and June 2010.

Also attached is a revised statement of costs for quarters 5, 6 and 7. As discussed in the attached 9th Quarterly Work Plan TRLIA discovered a different duplicate invoice being posted in the statement of costs for the 6th and 7th Quarter for Segment 2 Construction, which impacts the state true up calculations and subsequent payment amount. We have corrected these items in the 9th Quarterly Work Plan. Electronic (excel) copies of the revised statement of costs were also attached to the e-mail that transmitted this letter and attachments to you.

Please feel free to contact me if you have questions or comments.

Sincerely,

Paul G. Brunner, P.E.
Executive Director
