Re: TRLIA Feather River Levee Improvement Project 22nd Quarterly Work Plan (QWP), Dated June 25, 2013

Dear Ms Kelly Fucciolo:

Attached is the TRLIA 22nd QWP (original and 2 copies) covering the time period April, May, and June 2013. The electronic version of this document is posted on the TRLIA FTP site.

By this report TRLIA requests the cost of changing the limited public access entrance to the Feather Setback Area from Broadway to Star Bend be approved to be part of Project Element 6. The cost of making this entrance change is estimated to be \$228,680. The state share of this cost is \$189,403. The remaining open Project Element and Features have been adjusted to cover this expense within this QWP. Request your concurrence with this action.

Please feel free to contact me, if you have questions or comments. My phone numbers are: 530-749-5679 (office), and 916-765-4981 (cell).

Sincerely,

Paul G. Brunner, P.E.
Executive Director
