Re: TRLIA Feather River Levee Improvement Project 26th Quarterly Work Plan (QWP), Dated July 2, 2014

Dear Ms Kelly Fucciolo:

Attached is the TRLIA 26th QWP covering the time period July, August, and September 2014. The electronic version of this document is posted on the TRLIA FTP site.

TRLIA has re-evaluated its overhead allocation with the start of FY 14/15. Starting with this 26th quarter work plan TRLIA is shifting the allocation of its administration and overhead expenses to reflect an apportionment of these expenses to additional work TRLIA has underway throughout the basin. The projections for expenses allocated to the FRLIP for this quarter have been reduced to reflect a lower allocation. See attachment 3 of the 26th QWP for new allocation.

Please feel free to contact me, if you have questions or comments. My phone numbers are: 530-749-5679 (office), and 916-765-4981 (cell).

Sincerely,

Paul G. Brunner, P.E.
Executive Director
