Re: Revised TRLIA 3<sup>rd</sup> 200-yr Goldfields Levee Project Quarterly Progress Report (QPR) dated July 26, 2018 for UFRR Funding Agreement # 4600012115

Attached for your review and approval is the Revised 3<sup>rd</sup> UFRR QPR for the time period of April to June 2018. Updated Statement of Costs is also attached.

On June 20, 2018 the TRLIA submitted the 3<sup>rd</sup> QPR requesting a two-quarter advance of 90% of the State's share of work totaling \$785,024, which is based on the projected costs of Quarters 3 & 4 costs. The previous request did not track retention being withheld and not paid on the True Up costs. As a result of these changes TRLIA requests an advance of \$674,423.

Please feel free to contact me, if you have questions or comments. My phone numbers are: 530 749-5679 (office), and 916-765-4981 (cell).

Sincerely,

Paul G. Brunner, P.E.  
Executive Director
