Application No. 18204 GM

Three Rivers Levee Improvement Authority
1114 Yuba Street, Suite 218
Marysville, California 95901

We have received your application for a Reclamation Board permit for the following work:

Description: To authorize existing 0.8 acre detention basin, drainage channels, and approximately 1,100 linear feet of seepage berm on the landside slope of the left (south) bank levee of the Yuba River.

Location: The project is located south of Marysville, east of Highway 70 and north of N Beale Road.
Section 24, T15N, R3E, MDB&M
(Reclamation District 784, Yuba River, Yuba County)

If you find any discrepancies between the works you are proposing and what is described above, please notify the Board at 3310 El Camino Avenue, Room LL40, Sacramento, California, 95821, immediately. Please be advised that the proposed project can not begin until your application has been approved and a Board permit has been granted to you. If we determine that additional information is needed, we will notify you within 30 days.

Please refer to the application number 18204 when communicating with this office. For further information, contact Michael Petersen of my staff at (916) 574-0685.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Mirmazaheri".

Mike Mirmazaheri, Chief
Floodway Protection Section
Division of Flood Management
