Resolution No. 07-11

WHEREAS, on this date, this Board of Directors adopted a resolution entitled "Resolution of Formation of Three Rivers Levee Improvement Authority Community Facilities District No. 2006-1 (South County Area), Authorizing the Levy of a Special Tax Within the District, Preliminarily Establishing an Appropriations Limit for the District, and Submitting Levy of the Special Tax and the Establishment of the Appropriations Limit to the Qualified Electors of the District" (the "Resolution of Formation"), ordering the formation of the Three Rivers Levee Improvement Authority Community Facilities District No. 2006-1 (South County Area) (the "District"), authorizing the levy of a special tax on property within the District and preliminarily establishing an appropriations limit for the District; and

WHEREAS, on this date, this Board of Directors also adopted a resolution entitled "Resolution Determining the Necessity to Incur Bonded Indebtedness Within Three Rivers Levee Improvement Authority Community Facilities District No. 2006-1 (South County Area) and Submitting Proposition to the Qualified Electors of the District" (the "Resolution to Incur Indebtedness"), determining the necessity to incur bonded indebtedness in the maximum aggregate principal amount of \$250,000,000 upon the security of the special tax to be levied within the District; and

WHEREAS, pursuant to the provisions of said resolutions, the propositions of the levy of said special tax, the establishment of the appropriations limit and the incurring of the bonded indebtedness is to be submitted to the qualified electors of the District as required by the Mello-Roos Community Facilities Act of 1982, California Government Code Section 53311 et seq. (the "Law").

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Three Rivers Levee Improvement Authority as follows:

Section 1. Pursuant to Sections 53325.7, 53326 and 53351 of the Law, the issues of the levy of said special tax, the incurring of bonded indebtedness and the establishment of said appropriations limit shall be submitted to the qualified electors of the District at an election called therefor as provided below.

Section 2. As authorized by Section 53353.5 of the Law, the three propositions described in paragraph 1 above shall be combined into a single ballot measure, the form of which is attached hereto as Exhibit A and by this reference incorporated herein. The form of ballot is hereby approved.

Section 3. This Board of Directors hereby finds that fewer than 12 persons have been registered to vote within the territory of the District for each of the ninety (90) days preceding the close of the public hearings heretofore conducted and concluded by this Board of Directors for the purposes of these proceedings. Accordingly, and pursuant to Section 53326(b) of the Law, this Board of Directors finds that for purposes of these proceedings the qualified electors are the landowners within the District and that the vote shall be by said landowners or their authorized representatives, each having one vote for each acre or portion thereof such landowner owns in the District as of the close of the public hearings.

Section 4. This Board of Directors hereby calls a special election to consider the measure described in Section 2 above, which election shall be held in the meeting place of this Board of Directors immediately following the adoption of this Resolution. The Secretary is hereby designated as the official to conduct said election. It is hereby acknowledged that the Secretary has on file the Resolution of Formation, a map of the proposed boundaries of the District, and a sufficient description to allow the Secretary to determine the boundaries of the District.

The voted ballots shall be returned to the Secretary no later than immediately following the adoption of this Resolution; however, when all of the qualified voters have voted, the election shall be closed.

Section 5. Pursuant to Section 53327 of the Law, the election shall be conducted by mail or hand delivered ballot pursuant to the California Elections Code. This Board of Directors hereby finds that paragraphs (a), (b), (c)(1) and (c)(3) of Section 4000 of the California Elections Code are applicable to this special election.

Section 6. It is hereby acknowledged that the Secretary has delivered, or caused to be delivered, to the qualified electors of the District ballots in the form set forth in Exhibit A hereto. Each ballot indicated the number of votes to be voted by the respective landowner.

Each ballot was accompanied by all supplies and written instructions necessary for the use and return of the ballot. The envelope to be used to return a ballot was sent with the ballot, had the return postage prepaid, and contained the following: (a) the name and address of the landowner, (b) a declaration, under penalty of perjury, stating that the voter is the owner of record or authorized representative of the landowner entitled to vote and is the person whose name appears on the envelope, (c) the printed name, signature and address of the voter, (d) the date of signing and place of execution of the declaration pursuant to clause (b) above, and (e) a notice that the envelope contains an official ballot and is to be opened only by the Secretary.

Analysis and arguments with respect to the ballot measures were waived by the landowners in their petitions to form the District as well as in the voted ballots, as permitted by Section 53327(b) of the Law.

Section 7. The Secretary shall accept the ballots of the qualified electors up to the time immediately following the adoption of this Resolution, whether the ballots be personally delivered or received by mail. The Secretary shall have available ballots which may be marked on the election day by the qualified electors.

Section 8. This Board of Directors hereby further finds that the provision of the Law requiring a minimum of 90 days following the adoption of the Resolution of Formation to elapse before said special election is for the protection of the qualified electors of the District. The petitions previously submitted by the landowners in the District as well as in the voted ballots contained an acknowledgment of a waiver of any time limit pertaining to the conduct of the election and of a waiver of any requirement for analysis

and arguments in connection with the election. Accordingly, this Board of Directors finds and determines that the qualified electors have been fully apprised of and have agreed to the shortened time for the election and waiver of analysis and arguments, and have thereby been fully protected in these proceedings. This Board of Directors also finds and determines that the Secretary has concurred in the shortened time for the election.

Section 9. Pursuant to the Local Agency Special Tax and Bond Accountability Act, Sections 50075.1 et. seq. and Sections 53410 et. seq. of the California Government Code, (a) the ballot measure referred to in Sections 2 and 4 above contains a statement indicating the specific purposes of the special tax, the proceeds of the special tax will be applied only to the purposes specified in the ballot measure, there shall be created by the Treasurer of the Authority an account into which proceeds of the special tax levies will be deposited, and the Treasurer of the Authority is hereby directed to provide an annual report to this Board of Directors as required by Section 50075.3 of the California Government Code; and (b) the ballot measure contains a statement indicating the specific purposes of the bonds, the proceeds of the bonds will be applied only to the purposes specified in the ballot measure, there shall be created by the Treasurer of the Authority an account into which the proceeds of the bonds will be deposited, and the Treasurer of the Authority is hereby directed to provide an annual report to this Board of Directors as required by Section 53411 of the California Government Code.

Section 10. The Secretary is hereby directed to cause to be published in a newspaper of general circulation circulating within the District a copy of this Resolution and a copy of the Resolution to Incur Indebtedness, as soon as practicable after the date of adoption of this Resolution.
